Value Tours: Cosmos knows why people travel. They'd rather have an extra day exploring than a fancy chocolate on their pillow at night. Enjoy hand-selected inclusions and world-class experiences for value-minded travel lovers.

Cosmos Undiscovered Tours: On an Undiscovered Tour with Cosmos, we trade the overcrowded cities of Europe and North America for smaller, crowd-pleasing gems. Exchanging the expected for the unexpected, our Undiscovered Tours invite your value-oriented clients to join in the world's greatest game of hide-and-seek.

Rail Journeys: Scenic daylight journeys or overnights in private sleeping staterooms take passengers back to the golden era of train travel.

Faith Based Tours: We've created a variety of uplifting itineraries to renew your clients' faith, reaffirm their beliefs, and reflect upon centuries of religious history. They can explore the roots of their faith on a tour where miracles happen.

Active & Discovery: Choose activities based on interests like traditional sightseeing, biking, painting classes, canoeing, and more. Experience a river cruise that is action-packed or filled with interactive discoveries.

Avalon Choice: Allows passengers to choose activities based on interests and fitness levels. Enjoy traditional sightseeing, and intermingle engaging activities like cooking and painting classes, and biking or jogging activities. It's your choice.

Special Interest: Avalon caters to our guests' passions and pursuits, from exploring gardens to enjoying regional wines and beers. Also offered are History Cruises, featuring WWII sites, photography or culinary enthusiast itineraries, and Festive Season cruises for a diverse cultural and culinary experience.

Avalon YourWay: Avalon makes it easy to seamlessly add days and nights in a variety of destinations before or after your clients' river cruise. We take care of all the details, from ship-to-hotel and hotel-to-ship transfers, transportation between cities, superior hotel accommodations, and guided sightseeing with plenty of optional excursions and free time to customize your client's experience.
