### **Wellness on Queen Anne**

Queen Anne's reimagined [Mareel Wellness & Beauty](#) offering heralds a new era of wellbeing at sea. The concept aims to deliver enriching wellness experiences that leave guests feeling radiant, from the inside out, just as its namesake – a glowing luminescence – lights the sea from within.

One of Queen Anne's stand-out wellness spaces is The Pavilion, an idyllic open-air oasis on the top deck, which features a specially designed glass dome roof that retracts in warmer climes. Inspired by beautiful glasshouses, it is the ideal spot for getting lost in a book or enjoying a dip in the pool by day and for meeting new friends in the evening.

The Pavilion Wellness Café also caters for breakfast, lunch and daytime diners, celebrating the vibrancy of plant-powered foods and sustainably sourced meat, dairy and fish options. Queen Anne boasts the widest selection of low and no-alcohol drinks so far found on a Cunard ship, with The Pavilion Wellness Café offering an array of feelgood smoothies, shots and cold-pressed juices.
