What is NCL Connect exactly?

This two-part marketing solution lets you effortlessly co-brand content and share with your clients. You can easily create pre-designed content experiences, giving them an immersive look into cruising with NCL. Plus, the co-branded website includes sailings and real-time pricing and drives clients directly back to you!

Is it easy to use and is there a cost?

There's no cost to you and the feature is a breeze to use. Personalize your co-branded content experience and co-branded website with your contact information in just one click! NCL Connect will remember your details the next time you return. Plus, you can add a special message to your clients.

How do I get started?

Scan the QR code above and you will be prompted to enter your email and contact information – that's it!
