## *Distinctively inclusive*

Everything is taken care of from the moment you arrive – we handle all details so you can just drop your bags and relax. And everything is included – all gratuities, all guided shore excursions, unique experiences ashore, fine dining, all-day complimentary beverages, wine and spirits aboard ship – and 24/7 onboard security.

## *Exclusive access travelers cannot get on their own*

Enjoy the ease of an expertly choreographed river cruise, complete with exclusive Tauck experiences, insider access, and seamless travel every step of the way. Destination-inspired, Tauck's cultural discoveries and private experiences are unique to the places you explore with us, ensuring an authentic connection with local life.

## *Fewer guests onboard – and you're guided by the best*

With no more than 130 guests onboard, up to 30% fewer than similar sized riverboats, it's easy to connect in a congenial setting with a more personalized experience – our custom riverboats are designed to offer the most space per guest on Europe's rivers. A Tauck Cruise Director for every 35 guests mean industry leading service levels; and on shore excursions, enjoy a 15:1 guest-to-guide ratio.

## *The perfect choice*

You'll have a choice of included excursions to meet your interests for a more personalized river cruise – all-inclusive experiences that allow you to make your river cruise your own, including active options and deeper discoveries off-the-beaten-path. They are thoughtfully timed and choreographed to enable closer, more meaningful connections with the places you go and people you meet.
